MUSIC ACCORD ANNOUNCES A NEW PARTNER

Joins Distinguished Group of Commissioning Partners

Music Accord, the national consortium of performing arts presenters, is pleased to announce the addition of a new member to its partnership.

The Middlebury Performing Arts Series enhances Middlebury College's curriculum and ignites cultural and creative exploration by presenting a diverse spectrum of world class performances and residencies to the greater Middlebury community. Since 1919, the series has been bringing celebrated artists in chamber music, dance, and theatre to campus—to perform, inspire, create, and conduct residencies. The series not only enriches Middlebury's academic program, but our work to connect artists with audiences allows the community to enjoy exceptional levels of artistry—usually only available in major cities—in an intimate setting. About Music Accord

Comprised of top classical music presenting organizations throughout the United States, Music Accord is a consortium that commissions new works in the chamber music, instrumental recital and song genres. The Consortium's goal is to create a significant number of new works and to ensure presentation of these works in venues throughout this country and, if the occasion arises, internationally. Music Accord awards commissions principally to performers who are US citizens or reside in the US and assists these performers in selecting composers who are United States citizens or who reside in the United States.
